Corporate Update

From the CEO's Desk

Dear Members,

Greetings!

It has indeed been a busy time for us over the past few months here in Brigade Hospitality. A lot has happened since the last time we wrote to you.

Apart from focusing on continuous improvement across our properties, we have also been engaged in expanding our scope of activities in keeping with our guest expectations. We should soon be coming back to you with a new range of services in the F&B domain.

Our Melting Pot restaurant and Tonic bar in Woodrose club are undergoing complete overhaul. This has taken a little more time than anticipated. We thank all our members and patrons for their patience. We are certain you will be pleased with the results once we reopen in the next few weeks.

We are happy to inform that our Sheraton Bangalore at Brigade Gateway was declared the **"Best New Hotel of the Year" in South Asia in the Upscale Segment- Business** during **HICA 2012** held in April this year.

This was followed by yet another award for our Angsana Spa in Sheraton Bangalore. Our spa won the **"Best Spa- Silver trophy"** during the **Middle East and North Africa (MENA) Travel Awards 2012** held in Dubai in May this year.

This recognition comes as a reassurance that we are on the right track and this certainly encourages us to move on and deliver even better products and services in the days ahead. Brigade Hospitality has come some distance from its beginning a few years back and this issue focuses on the awards & recognition received along the way.

All this would not have been possible without your support and encouragement and therefore we dedicate the June 2012 issue to you!

Vineet Verma
CEO, Brigade Hospitality

From the Editor

Dear Member, Readers and Guests!

This third issue of Brigade Beat is a special one for us.

Within eight short years Brigade Group's hospitality initiatives have managed to win more than a dozen awards, giving us the confidence to move forward, faster and better. While we are on a growth path, we are always keen and eager to stay in touch with the needs and expectations of our members and customers. We have introduced a number of feedback forms be it for our restaurants, events or banquets. While the hard copies are available at the club, members and customers can also leave their feedback online at www.brigadehospitality.com/feedback

The CEO and I personally take time to read each and every feedback we receive and ensure that necessary action is taken immediately if possible. Some responses take longer than the others but please be assured that we are constantly reviewing what you have to say. For instance, some changes incorporated in the restaurants are:

- Increasing the healthiness of our food by reducing the oil content in our cooking
- Change in the restaurant music to more appropriate genres depending on the time of the day
- Improvement in the ambiance, design and decor of Nebula, Melting Pot and Tonic Bar

With regards to the Events conducted at the club, some of the changes have been:

- Conducting more family oriented events such as brain-a-thon, karaoke and puzzles & prizes
- Distributing prizes immediately after the event
- Creating more opportunities for member interaction through the introduction of Member's Evenings

There are more changes in progress and we will continue to update you about them but in the meanwhile, do enjoy reading the issue at hand and keep giving us constructive feedback.

RECIPE OF THE MONTH

Falafel Sandwich

About Chef Vincent:

He started his career with Mahindra Guestline Hotel and has a vast culinary experience of over 18 years working with reputed hotels. His specialization is Garde Manger and Continental cuisine with the ability to innovate and produce new recipes.

Falafel is a Middle Eastern chickpea's patty. It is stuffed in pita bread with salad & sauce.

Method - Tahini Sauce:

- In a small frying pan dry roast the sesame seeds on medium heat for 2-3 minutes.
- Mix all the ingredients and blend to make a pourable paste, use water as per requirement
- Keep it aside.

Method - Falafel Sandwich:

- Soak the chickpeas in 4 cups of water over night till they become 2 and half times the original size.
 - Add chickpeas with 3 cups of water in a pressure cooker and cook for 15mins (3 whistles)
 - Turn off the heat and wait until the steam is released on its own.
 - **Chickpeas should be just tender not very soft.**
 - Drain the water and let it cool; combine all the ingredients for falafel grind in a mixer till it reaches a **grainy** consistency. If needed add a few spoons of water.
 - Divide the mixture in 24 equal parts or make them as desired size patties.
 - Heat at least 2 inches of oil in a frying pan on medium high heat. To check if the oil is ready, put a small piece of dough in it. The dough should come up but not change colour right away.
 - Slowly drop the falafel patties in the oil and fry until they are brown in colour on both sides. It should take about 4-5 minutes to cook each batch.
 - Keep the patties aside.
- Serving suggestion**
- Take pita bread and heat over the skillet on medium high heat lightly on both sides.
 - Slice the pita bread in half. Take each part and open from the centre to make a pocket.
 - Fill 1/3 of the pita pocket with chopped lettuce. Next add some chopped tomatoes, cucumber and carrot.
 - Add 1 tablespoon of tahini sauce, 3 to 4 pieces of falafel and another spoon of tahini sauce.
 - It's best to serve the sandwich with hot falafels. Falafels can be easily re-heated before serving using an oven or toaster oven.
